The following report is intended to give an update of ongoing CIP Projects. If more information is needed, please contact me anytime.

<b>2<sup>nd</sup> Street Paving &amp; Drainage</b>	
Designer: Halff Associates	Contractor: FT Woods
Key Dates: Asphalt Start= Sept. 2012	Construction Estimate: \$17,000,000

- Storm drain work on 2<sup>nd</sup> Street is almost complete
- Wastewater main installation is complete
- Concrete driveways, curb & gutter, and sidewalk continue east on the north side of the project
- Light Pole bases will be installed starting in 2 weeks
- FT Woods is proposing an alternate Traffic phasing plan to decrease construction time and minimize inconvenience to local traffic. The new plan has asphalt installation beginning in early September but will install faster as more lanes will be ready for asphalt.
